

SHB20216 Certificate II in Salon Assistant Course Information Brochure

Description of Course

This qualification reflects the role of individuals who work as salon assistants and are competent in communicating in the workplace, interacting with and providing service to clients and assistance to colleagues. They perform routine functions under direct supervision as part of a hairdressing team.

Activities / Tasks

The course provides both theoretical and practical training that is linked directly to the work that Hairdressing related employees undertake.

- It is designed as a pre-vocational qualification for people entering the industry as salon assistants;
- It covers dealing with clients in different scenarios that occur in the workplace, assisting senior hairdressers, selling products and services, washing hair, performing a range of varied activities that take place in a hair salon on a day to day basis, maintaining the workplace and following policies and procedures;
- Observations and demonstrations are part of the practical assessments that take place in our simulated salon; and
- Theoretical practices are supported by the Student Learner Guide which covers every unit in detail with activities that are to be completed throughout.

Assessment

Assessment is conducted using a combination of project based practical tasks, theory test and design folios/briefs. The assessment of your overall competence at this certificate level will be undertaken by a qualified assessor and your competence judge using all of these tasks. Students will be given a fair and adequate assessment process that include the option of an assessment re-sit.
